

EMPLOYEE ASSISTANCE PROGRAMME

CONNECT YOUR EMPLOYEES TO IMMEDIATE AND CONFIDENTIAL EMOTIONAL WELLBEING SUPPORT, FINANCIAL RESOURCES AND LEGAL INFORMATION WHEN THEY NEED IT MOST.

OVERVIEW

Overwhelming personal issues, such as debt, bereavement, family issues and mental health challenges can have a huge impact on lots of areas of an individual's life - including their relationships, performance and sickness absence in the workplace. But, it's not always easy to speak up and access help when it's needed. That's why our health and wellbeing support service, delivered by BHSF, is such a valuable tool.

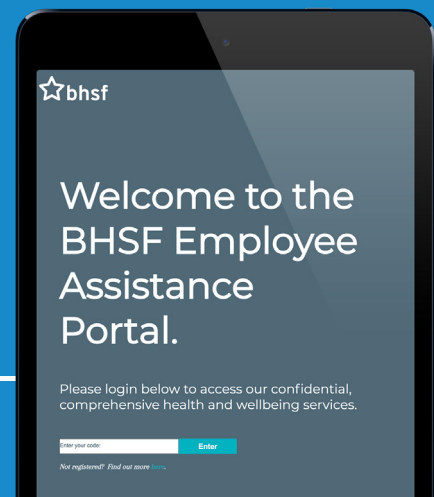

With the BHSF Employee Assistance Programme, your employees can access 24/7 confidential counselling support to help them work through any problems they may have, at a time and place that suits them. Simply choose from five EAP options to suit your business' requirements.

KEY FEATURES

- A 24/7 telephone helpline
- Access to MyMindPal, an online interactive mental fitness tool
- Face-to-face counselling
- Telephone counselling
- An online portal with self-help workbooks
- Management information reports
- Management support

HOW IT WORKS

- 1 To get access to the online service, employees simply log into your platform.
- 2 Once logged in, they will find a link and an access code which will take them directly to the BHSF EAP page.
- 3 They will then have access to BHSF's full range of features and be able to utilise any of the services whenever they're needed.
